FACT FILE

THE BRIEF

Build a second-storey addition that is integrated with the existing house, provide extra space and take advantage of the view

THE BUILDER

Sam Maugeri, Alpine Designer Homes

A Four bedrooms, a rumpus and a study were added in the upstairs addition B Extra polyurethane cabinets were installed C Cedar cladding matches the window frames

# Getting to the top

Merging another storey on to a relatively new renovated dwelling proved an interesting challenge

**Describe the changes you made.** It was a single-storey bungalow that had polyurethane changes naturally in colour, so we made sure we used the finish. The bit that steps in on the second level is clad in cedar, which
